

AMERICAN ACCENT COACHING

with Audrey LeCrone

Communication & Speaking Skills

Executive Mastery Course

This 10-session course with celebrity coach Audrey LeCrone will help you master the communication skills to not only present to C-suite execs, but to BECOME one. Boost your effectiveness, increase your confidence, embrace conciseness, and polish your public speaking. Certification will be provided after course completion.

What You'll Learn

Confidence, Conciseness, & Clarity

De-clutter your message by breaking down complex ideas into palatable, simple thoughts. Pack a punch with calm presentation style and more vocal power.

Performing under pressure

Train your brain to stay calm in tough circumstances by pushing your limits of considering content and quality simultaneously.

Presence & Charm

Learn to authentically and dynamically show up as yourself while giving a prepared presentation or improvising on the spot.

About Your Coach

Audrey LeCrone has helped clients from over 70 countries. She uses a variety of creative, effective techniques that are catered to each learner. Also an acting and dialect coach to celebrities, she borrows techniques from Hollywood stars to help you tackle communication like a boss.
